

Real Estate Classifieds - Bug #1143

No way to use real estate for several countries

November 11, 2013 04:52 - Vasily Bezruchkin

Status: New	Start date: November 11, 2013
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category:	Estimated time: 0.00 hour
Target version: Backlog	
Description	
No way to use real estate for several countries	
Default installation comes with USA states by default	
I tried to add Canada	
I was able to create a new top level location, but it's not available in dropdown	
Location is a mandatory field and you should not be able to submit new locations when --Select-- is active.
