Bug # 1812 (In Progress): Fix the Importer plugin and update it for 3.3.x versions

Add Escape Character functionality to Importer plugin

November 26, 2013 03:25 - Andrew Gorshechnikov

Target version:			

Description

Now when I try to import .csv dump file I'm getting incorrect number of entries due to the lack of escape character functionality. In some fields we have data which contains different symbols and plugin can't correctly parse this data.
