

Subrion Opensource CMS - Feature #1488

Make it possible to restrict adding some pages to menus

March 10, 2014 23:17 - Anonymous

Status:	New	Start date:	March 10, 2014
Priority:	Normal	Due date:	
Assignee:	Batyr Mackenov	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	4.4.0		
Description			
Some pages like "View Listing", for example, will lead to 404 error if added to any menu. There should be an additional flag that will tell the system not to offer a page to be added to menus.			

History
