

Subrion Opensource CMS - Feature #1586

Make it possible to create custom forms

April 16, 2014 02:09 - Anonymous

Status: New	Start date: April 16, 2014
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category:	Estimated time: 0.00 hour
Target version: 5.0.0	
Description It should be possible to create pages with custom forms. The fields can be added through the default fields system. Additional tables should be created in the database for each form.
