

Subrion Opensource CMS - Bug #1753

Installation: specify default values in DB scheme

July 22, 2014 04:27 - Batyr Mackenov

Status:	Closed	Start date:	July 22, 2014
Priority:	Normal	Due date:	
Assignee:		% Done:	100%
Category:	Installer	Estimated time:	0.00 hour
Target version:	3.2.0		
Description			
Some mysql servers do require default values specification.			
Here is the customer's report:			
When i come to step 3:Configuration, i try to proceed with install but the page showed this mysql error "'1364 Field 'extras' doesn't have a default value' during the following query:".			

History
