

## Subrion Opensource CMS - Feature #1847

### Create invoice functionality

October 31, 2014 00:37 - Vasily Bezruchkin

<b>Status:</b>	New	<b>Start date:</b>	October 31, 2014
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>		<b>% Done:</b>	0%
<b>Category:</b>	Core	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>	4.3.0		
<b>Description</b>			
Sometimes we might need a way to request funds from members. This could be a custom payment, assigned to products, etc.			
It would be great to have a way to generate an invoice. We need two extra options:			
1. Setting to prevent invoice cancellation on payment page			
2. Notes			
There should be an option to send email notification to payer when invoice created.			
Thanks!
