

Auto Classified Script - Bug #2446

Model dropdown is disabled on Search results page

May 09, 2016 04:09 - Andrew Gorshechnikov

Status:	New	Start date:	May 09, 2016
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	Backlog	Spent time:	0.00 hour

Description

Steps to reproduce the issue:

- 1) go to Car Listings page (../autos/)
 - 2) choose Make and Model of existing on website listing
 - 3) you'll be redirected to Search results page where Model dropdown is disabled.
- Screenshot file attached.

History

#1 - February 27, 2017 01:25 - Vasily Bezruchkin

- Target version changed from 4.1.0 to Backlog
