

Subrion Opensource CMS - Feature #253

Make a single author block

September 14, 2012 04:17 - Anonymous

Status:	New	Start date:	September 14, 2012
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	4.5.0		
Description			
For now, every package creates its own author block displayed on a view items page. A code for a single author block with author's info should be available in the core. The info should include author's numbers of items of all the packages installed.
