

Web Directory - Bug #279

Mandatory URL field issues

September 19, 2012 06:04 - Vasily Bezruchkin

Status: Resolved	Start date: September 19, 2012
Priority: Normal	Due date:
Assignee:	% Done: 100%
Category:	Estimated time: 0.00 hour
Target version: 2.2.1	
Description "URL" field is required, but has not respective label. If leave the "URL" field empty when submitting a listing, it gives an error. But field is not marked as required.	

History

#1 - September 27, 2012 03:35 - Anonymous

- Status changed from New to Resolved

- % Done changed from 0 to 100

Fixed for 2.2.x versions.
