

Subrion Opensource CMS - Feature #322

Visual scheme for templates

September 20, 2012 02:03 - Vasily Bezruchkin

Status:	New	Start date:	September 20, 2012
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	5.0.0		
Description			
Create a visual scheme for templates so admin could see what each position means. This should be implemented through the canvas page, think over this in details.
