

Subrion Opensource CMS - Bug #650

Can not register when plan exists

February 04, 2013 04:29 - Anonymous

Status:	Resolved	Start date:	February 04, 2013
Priority:	Normal	Due date:	
Assignee:	Batyr Mackenov	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:	2.3.4		
Description			
When any plan exists for members and you try to register on the front-end it just refresh the page and doesn't create any account.
