

## Subrion Opensource CMS - Bug #827

### List of plans should be hidden on edit items page

<b>Target version:</b> 4.3.0	
<b>Description</b> When editing an item a list of plans appears above fields. That leads to confusion.  Most likely, the list should be hidden and users can see plans when clicking a link "Change plan".  Also after a user clicks save button he is redirected to payment gateway. It's needed to be ensured that this process is handled properly.
